

# Freedom

Freedom to give

Freedom to live

Freedom to question why

Freedom to sing

Freedom to swing

Freedom to just walk on by

Freedom to speak

Freedom to seek

Freedom to laugh or cry

Freedom to please

Freedom to tease

Freedom to smile or sigh

---

Freedom that's mine

Freedom divine

Freedom no money can buy

Freedom to walk

Freedom to talk

Freedom to live or to die...

But life is short. Don't let it pass too fast.

Live every single second as your last.
